Integrating Yoga in Life and Teaching

"Let the beauty of what you love be what you do." – Rumi

YOGASPHERE, Registered 500 Hour Yoga School (RYS500), offers an extensive, in-depth 300 hour advanced training program for Yoga Alliance certified teachers. This training will immeasurably add to your foundation and expand the knowledge and tools that you can access to effectively, confidently and creatively teach classes, workshops and private sessions. Our teaching staff is unparalleled in experience, dedication and training, and is committed to guiding each participant toward discovering, manifesting and exceling in their own unique path and interests as a yoga teacher. Upon completion of this program, you will be eligible to become certified at the 500 Hour Level with Yoga Alliance.

YOGASPHERE'S 300 Hour Advanced Teacher Training Program includes 150 hours of Advanced Teacher Training distributed in our Core Program, consisting of 10 intensive weekends over a 12 month period (Sept 2017– June 2018), as well as mentor meeting, practice teaching, class observations and assisting. The remaining 150 hours are accrued in our Elective Program over a 2 year period (2017 – May 2019). The electives are scheduled and priced as stand-alone units, allowing each person to select the topics that fit their specific interests, time and price requirements. Participants in the 300 Hour Training will receive a discount of 10% off the price of the electives that are scheduled at Yogasphere. In addition, up to 50 hours of the Elective Program can be obtained at trainings and workshops outside of Yogasphere with pre-approval, as we recognize and support that you may have an area of interest that is not covered in our program.
